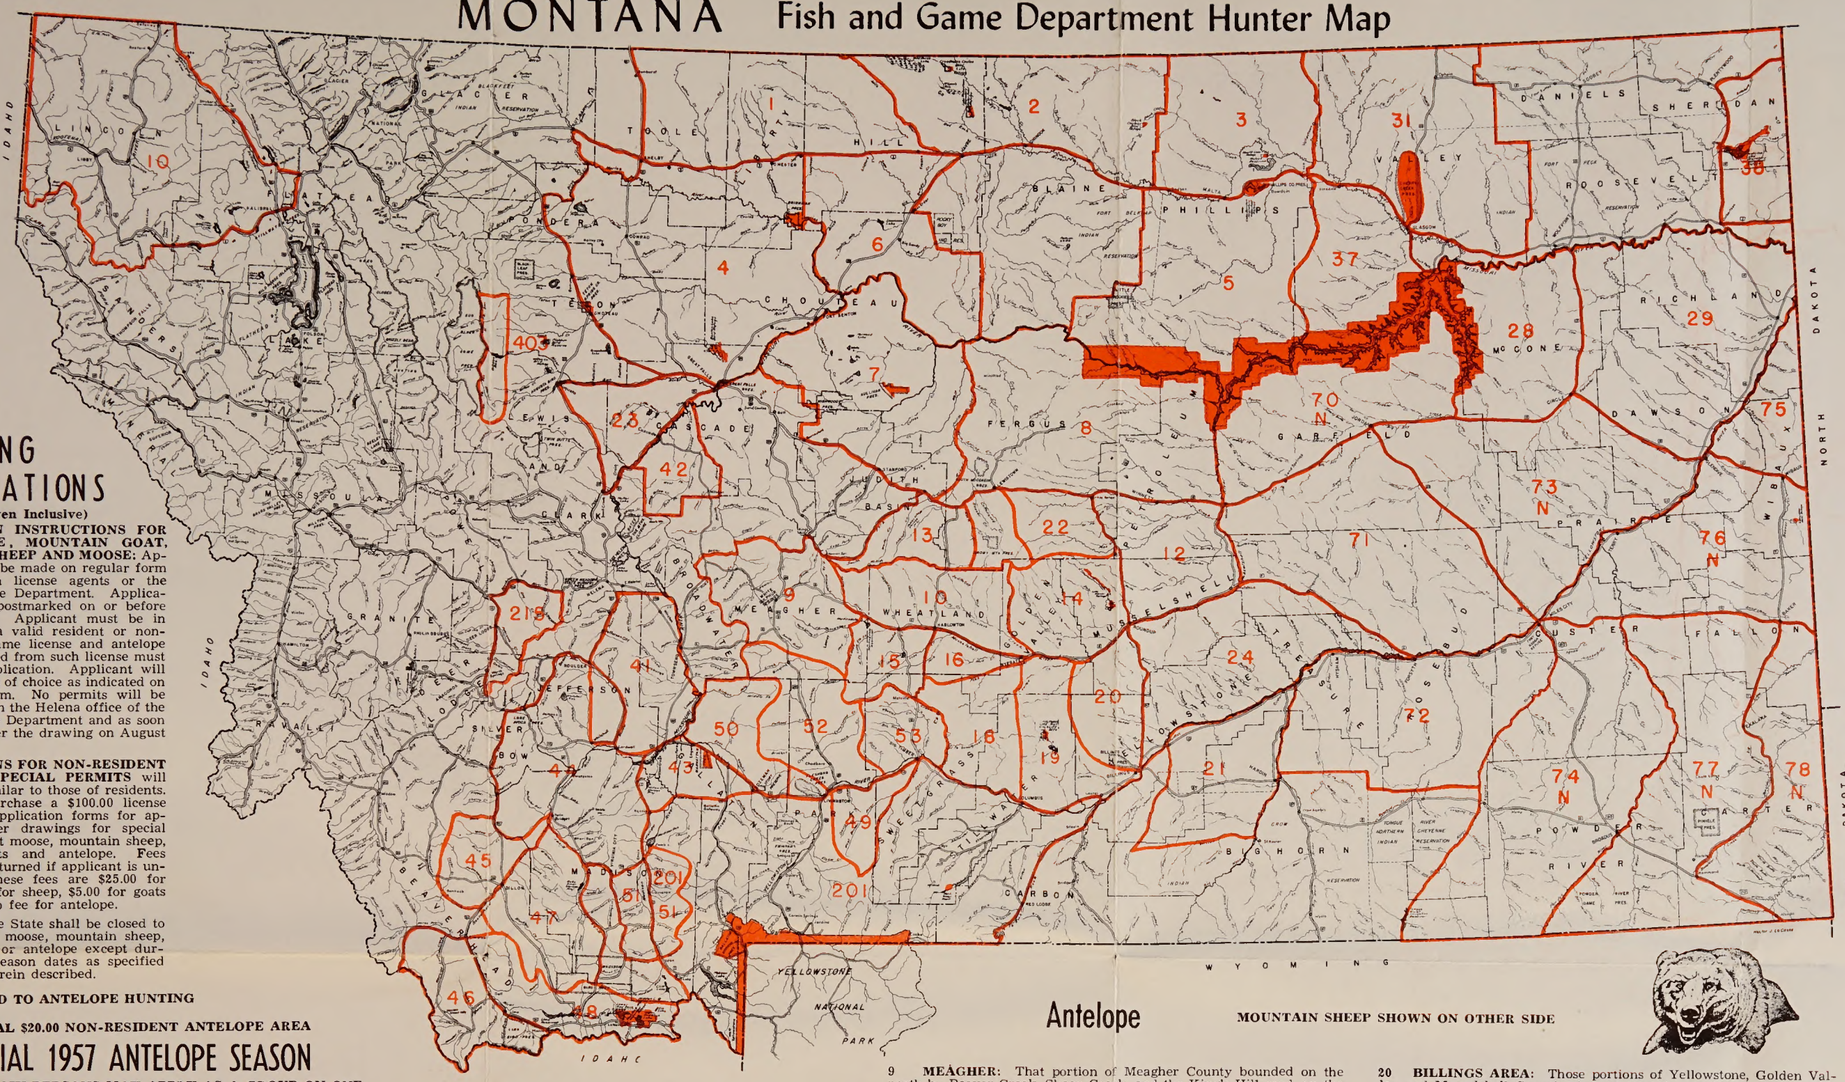
WESTERN LITHO-PRINT, INC., BILLINGS, MONT.

MONTANA Fish and Game Department Hunter Map



HUNTING REGULATIONS

(All Dates Given Inclusive)

APPLICATION INSTRUCTIONS FOR ANTELOPE, MOUNTAIN GOAT, MOUNTAIN SHEEP AND MOOSE: Application must be made on regular form available from license agents or the Fish and Game Department. Application must be postmarked on or before July 31, 1957. Applicant must be in possession of a valid resident or non-resident big game license and antelope coupon detached from such license must accompany application. Applicant will designate areas of choice as indicated on application form. No permits will be issued except in the Helena office of the Fish and Game Department and as soon as possible after the drawing on August 15, 1957.

APPLICATIONS FOR NON-RESIDENT BIG GAME SPECIAL PERMITS will be handled similar to those of residents. Those who purchase a $100.00 license will be sent application forms for applying to enter drawings for special permits to hunt moose, mountain sheep, mountain goats and antelope. Fees only will be returned if applicant is unsuccessful. These fees are $25.00 for moose, $15.00 for sheep, $5.00 for goats and there is no fee for antelope.

All areas in the State shall be closed to the hunting of moose, mountain sheep, mountain goat or antelope except during the open season dates as specified in the areas herein described.

CLOSED TO ANTELOPE HUNTING

N **SPECIAL $20.00 NON-RESIDENT ANTELOPE AREA**

SPECIAL 1957 ANTELOPE SEASON

AS MANY AS SIX PERSONS MAY APPLY AS A GROUP ON ONE APPLICATION FORM. ALL APPLICATIONS MUST BE SUBMITTED ACCORDING TO INSTRUCTIONS AND MUST SHOW COMPLETE AND CORRECT INFORMATION, OTHERWISE THEY WILL NOT BE ACCEPTED.

APPLICATION FOR NON-RESIDENT $20.00 ANTELOPE PERMIT: Applications for $20.00 antelope permits will not be entered in the regular drawing. Application must be postmarked on or before August 15, 1957. Non-residents may apply for a $20.00 antelope permit to be issued only if the quota in any Non-Resident Area is unfilled after the regular drawing. If there are more non-resident applications than the number of permits available, a drawing will be held to select applicants. Applicant may designate the area, in order of preference by number for any permits in non-resident areas that may be available. If a permit is not available the $20.00 fee will be returned to the applicant. Only one $20.00 antelope permit may be issued to an applicant. Applicant shall by letter state his name, address and areas of choice, and enclose a $20.00 money order or certified check with letter of application. Non-residents may apply as a group up to six individuals on one letter of application. If a drawing is necessary to award permits the application will be entered as one—either all or none will be given permits.

NOTE: Area quota figures will not be available until spring census figures have been compiled, prior to the August 15th drawing.

AREA No.	Location	Dates

SPECIAL ANTELOPE SEASONS FOR 1957

1 SWEET GRASS HILLS: Those portions of Liberty, Hill and Toole Counties lying north of Highway 2, east of Highway 91 and west of the Milk River.
Antelope—quota to be announced later, from October 13 through November 17.

2 NORTH BLAINE AND HILL: Those portions of Blaine and Hill Counties lying north of Highway 2 and east of the Milk River.
Antelope—quota to be announced later, from October 13 through November 17.

3 NORTH PHILLIPS: That portion of Phillips County lying north of Highway 2 and west of Frenchman Creek.
Antelope—quota to be announced later, from October 13 through November 17.

4 TETON-MARIAS: That area bounded on the west by Highway 89, on the south by Highway 89 and the Missouri River, on the east by the Marias River and the county line between Hill and Liberty Counties, and on the north by Highway 2, with the exception of the Blackfeet Indian Reservation and the Brinkman Game Preserve.
Antelope—quota to be announced later, from September 15 through October 19.

5 SOUTH PHILLIPS: Those portions of Phillips and Valley Counties lying south of Highway 2 and west of Larb Creek and Timber Creek with the exception of the Fort Peck Game Range-Bowdoin Refuge.
Antelope—quota to be announced later, from September 8 through November 17.

6 BIG SANDY: That portion of Hill County lying west of Highway 87 and south of Highway 2 and that portion of Chouteau County lying north of the Missouri River and east of the Marias River.
Antelope—quota to be announced later, from October 13 through November 17.

7 SQUARE BUTTE: Those portions of Fergus, Chouteau and Judith Basin Counties lying south of the Missouri River, west of the Judith River and north of Highway 87.
Antelope—quota to be announced later, from September 15 through October 19.

8 NORTH FERGUS AND PETROLEUM: Those portions of Fergus, Petroleum and Judith Basin Counties lying north of Highway 87 and 18 and east of the Judith River, with the exception of the Fort Peck Game Range.
Antelope—quota to be announced later, from September 15 through October 19.

9 MEAGHER: That portion of Meagher County bounded on the north by Beaver Creek, Sheep Creek, and the King's Hill road, on the south by the upper limits of the Smith River and Musselshell drainages and on the east by a line running from the county line southeast of King's Hill, down Spring Creek to the Musselshell, up the South Fork of the Musselshell to Cottonwood Creek and south to the head of Cottonwood Creek.
Antelope—quota to be announced later, from September 15 through October 19.

10 NORTH WHEATLAND: Those portions of Wheatland, Meagher and Golden Valley Counties lying north of Highway 6, east of Spring Creek and west of Swimming Woman Creek.
Antelope—quota to be announced later, from October 13 through November 3.

12 FLATWILLOW-WILLOW CREEK: Those portions of Fergus, Petroleum and Musselshell Counties lying south of Highway 18, east of Highway 87 and bounded on the south and east by the Musselshell River.
Antelope—quota to be announced later, from October 13 through November 3.

13 BUFFALO: Those portions of Fergus and Judith Basin Counties lying south of the Judith River and south of Highway 87 and west of Rock Creek and Timber Creek in the Snowy Mountains.
Antelope—quota to be announced later, from September 15 through October 19.

14 WILLOW CREEK: Those portions of Musselshell, Golden Valley, Petroleum and Fergus Counties north of Highway 6, east of Swimming Woman Creek, west of Highway 87 and bounded on the north by a line beginning at the head of Swimming Woman Creek, thence along the Snowy Mountains divide in an easterly direction to Durfee Creek, thence down Durfee Creek to Flatwillow Creek, thence down Flatwillow Creek to Highway 87.
Antelope—quota to be announced later, from October 13 through November 3.

15 TWO DOT: Beginning at Harlowton, thence south along Highway 19 to Sweet Grass Creek, thence up Sweet Grass Creek to the crest of the Crazy Mountains, thence along said crest in a northerly direction to Cottonwood Creek, thence down Cottonwood Creek to the South Fork of the Musselshell River, thence down said river to the Musselshell River, thence down said river to Harlowton, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

16 FISH CREEK: Those portions of Wheatland, Golden Valley and Sweet Grass Counties bounded on the west by Highway 19, on the south and east by Fish Creek and the north by Highway 6.
Antelope—quota to be announced later, from October 13 through November 3.

18 SWEET GRASS CREEK: Those portions of Sweet Grass, Stillwater, Golden Valley and Wheatland Counties bounded on the south by the Yellowstone River, on the east by the Columbus-Rapelje-Ryegate road, and the west along Sweet Grass Creek from the Yellowstone River to Melville, and along Highway 19 from Melville to Fish Creek, and on the north by Fish Creek.
Antelope—quota to be announced later, from October 13 through November 3.

19 MOLT-BROADVIEW: Those portions of Stillwater, Golden Valley and Yellowstone Counties bounded on the south by the Yellowstone River, on the east by the Billings-Lavina highway, on the north by Highway 6, on the west by the Columbus-Rapelje-Ryegate road.
Antelope—quota to be announced later, from October 13 through November 3.

20 BILLINGS AREA: Those portions of Yellowstone, Golden Valley and Musselshell Counties bounded on the south and west by the Billings-Lavina highway, on the north by Highway 6 and on the east by Highway 87.
Antelope—quota to be announced later, from October 13 through November 3.

21 HARDIN: Those portions of Big Horn and Yellowstone Counties bounded on the north by the Yellowstone River, on the east by the Big Horn River, on the south by the St. Xavier-Pryor road and on the west by Pryor Creek.
Antelope—quota to be announced later, from October 13 through November 3.

22 DURFEE HILLS: That portion of Fergus County bounded on the north by the Lewistown-Grass Range road (Highways 87 and 18), on the east by Highway 87, on the south by a line beginning where Flatwillow Creek crosses Highway 87, thence up Flatwillow Creek to Durfee Creek, thence up Durfee Creek to the Snowy Mountain divide, thence westerly along said divide to the Lewistown-Red Hill road and on the west by the Lewistown-Red Hill road.
Antelope—quota to be announced later, from October 13 through November 3.

23 BIRDTAIL: Those portions of Lewis and Clark and Cascade Counties lying east of Highway 33 and between the Missouri River, Wolf Creek, and the Sun River.
Antelope—quota to be announced later, from September 15 through October 19.

24 BULL MOUNTAIN: Those portions of Musselshell, Rosebud, Yellowstone and Treasure Counties bounded on the west by Highway 87, on the south by the Yellowstone River, on the east and north by Highway 6.
Antelope—quota to be announced later, from October 13 through November 3.

28 McCONE: Those portions of McCone and Garfield Counties lying north of Highway 18, west of Highway 13, and east of Big Dry Creek, except the Fort Peck Game Range.
Antelope—quota to be announced later, from October 13 through November 17.

29 RICHLAND-DAWSON: Those portions of McCone, Richland and Dawson Counties lying east of Highway 13, north of Highway 18, and northwest of the Yellowstone River.
Antelope—quota to be announced later, from October 13 through November 17.

31 NORTH VALLEY: Those portions of Valley and Phillips Counties lying north of Highway 2 and east of Frenchman Creek, with the exception of the Cherry Creek Preserve.
Antelope—quota to be announced later, from October 13 through November 17.

37 SOUTH VALLEY: Those portions of Phillips and Valley Counties lying south of Highway 2 west of the Fort Peck-Glasgow highway and east of Larb Creek and Timber Creek, with the exception of the Fort Peck Game Range.
Antelope—quota to be announced later, from October 13 through November 17.

38 MEDICINE LAKE: Those portions of Sheridan and Roosevelt Counties lying north of Highway 2, east of Highway 16, and south of Highway 5, with the exception of Medicine Lake Refuge.
Antelope—quota to be announced later, from October 13 through November 17.

41 RADERSBURG: That portion of Broadwater County lying west of the Missouri River and that portion of Jefferson County lying east of the Helena-Boulder-Cardwell road and north of Highway 10.
Antelope—quota to be announced later, from September 15 through Sept. 30.

42 HOUND CREEK: That portion of Cascade County lying south of the Missouri River and west of the Smith River.
Antelope—quota to be announced later, from September 15 through October 19.

43 WILLOW CREEK-THREE FORKS: Beginning at Bozeman, thence along Highway 10 to Sappington Junction, thence along Highway 1 to Norris, thence along the Norris-Bozeman cutoff road to Bozeman.
Antelope—quota to be announced later, from September 15 through October 19.

44 WATERLOO: Beginning at Boulder, thence along the Boulder-Whitetail road to Whitehall, thence east along Highway 10 to Sappington, thence south along Highway 1 to Ennis, thence along Highway 34 to Twin Bridges, thence along the Big Hole River to Divide, thence along Highway 91 to Boulder.
Antelope—quota to be announced later, from September 15 through October 19.

45 RATTLESNAKE: Beginning at the mouth of Grasshopper Creek, thence up said creek to Dyce Creek, thence up said creek to the Pioneer Range divide, thence along said divide to Rock Creek, thence down said creek to the Big Hole River and to the Beaverhead River, thence up said river to Grasshopper Creek, the point of beginning.
Antelope—quota to be announced later, from September 15 through October 19.

46 SHEEP CREEK: That portion of Beaverhead County lying south of the Horse Prairie Creek road and west of Highway 91.
Antelope—quota to be announced later, from September 15 through October 19.

47 BLACKTAIL: Those portions of Beaverhead and Madison Counties bounded on the west and south by the Blacktail drainage, on the east by the Ruby River and on the north by the Beaverhead River.
Antelope—quota to be announced later, from September 15 through October 19.

48 CENTENNIAL: That portion of Beaverhead County lying east of Highway 91 and within the Red Rock River drainage above Clark Canyon near Armstead (the Red Rock Refuge shall be excluded from this area).
Antelope—quota to be announced later, from September 15 through October 19.

49 WEST BOULDER: Beginning at Livingston, thence in an easterly direction along Highway 10 to Big Timber, thence in a southerly direction up the Boulder River to its source, thence following the Yellowstone-Boulder divide in a northwesterly direction to Livingston, the point of beginning.
Antelope—quota to be announce later, from September 15 though October 19.

50 NORTH GALLATIN: That portion of Gallatin County lying north of Highway 10 and lying within the Missouri River drainage.
Antelope—quota to be announced later, from September 15 through October 19.

51 CAMERON: That portion of Madison County lying within the Madison River drainage between Falls Creek and Squaw Creek on the east side of the river and between Highway 34 and Standard Creek on the west side of the Madison River.
Antelope—quota to be announced later, from September 15 through October 19.

52 SHIELDS RIVER: Those portions of Park, Meagher and Gallitin Counties lying within the Shields River drainage and that portion of Meagher County lying within the Sixteen Mile Creek drainage.
Antelope—quota to be announced later, from September 15 through October 19.

53 BIG TIMBER: Those portions of Sweet Grass and Park Counties bounded on the south by the Yellowstone River, on the west by Duck Creek and on the north and east by Sweet Grass Creek.
Antelope—quota to be announced later, from September 15 through October 19.

70 Beginning near Mosby where the Highway 18 bridge crosses the Musselshell River, thence down said river in a northerly direction to the Fort Peck Game Range boundary, thence in an easterly direction along said boundary to Big Dry Creek, thence south along said creek to Highway 18 and west along said highway to Mosby, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

71 From the Yellowstone River bridge at Miles City, up the Yellowstone River in a westerly direction to the Highway 6 bridge at Forsyth, thence in a northwesterly direction along Highway 6 to the Musselshell River bridge near Melstone, thence down the Musselshell River in a northerly direction to the Highway 18 bridge near Mosby, thence in an easterly direction along Highway 18 to Jordan, thence in a southeasterly direction along Highway 22 to the Yellowstone River bridge, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

72 Beginning at the mouth of the Tongue River at Miles City, thence up the Tongue River to the Tongue River Northern Cheyenne Indian Reservation line, thence west along this line to the Crow Indian Reservation line, thence north and west along this line to the Big Horn River, thence down said river in a northerly direction to the Yellowstone River, thence down the Yellowstone River to the mouth of the Tongue River, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

73 Beginning at the Miles City bridge, thence along Highway 22 to Jordan, thence in an easterly direction along Highway 18 through Circle and to the Glendive bridge, thence up the Yellowstone River to the Miles City bridge, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

74 Beginning at Miles City, thence in an easterly direction along Highway 12 to the Powder River bridge, thence up the Powder River through Broadus to the Wyoming State line, thence in a westerly direction along the Wyoming State line to the Tongue River, thence down the Tongue River to Miles City, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.,

75 From the Yellowstone bridge at Glendive, thence down the Yellowstone River to the North Dakota State line, thence south along the State line to Highway 10, thence in a westerly direction along Highway 10 to the Yellowstone bridge at Glendive, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

76 From Miles City, thence down the Yellowstone River in a northeasterly direction to the Yellowstone River bridge at Glendive, thence in an easterly direction along Highway 10 to the North Dakota State line, thence south along the North Dakota State line to Highway 12, thence in a westerly direction along Highway 12 to Miles City, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

77 Beginning at the Highway 12 bridge across the Powder River, thence east along said highway to Baker, thence south along Highway 7 and the Ekalaka-Hammond road to Hammond, thence south and east along Highway 212 to the State line, thence west along the State line to the Powder River, thence in a northerly direction down the Powder River to the Highway 12 bridge, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

78 Beginning at Baker, thence east along Highway 12 to the State line, thence south along the North and South Dakota State lines to the Wyoming State line, thence west along the State line to Highway 212, thence north and west along Highway 212 to Hammond, thence along the Hammond-Ekalaka-Baker road to Baker, the point of beginning.
Antelope—quota to be announced later, from October 13 through November 3.

215 DOG CREEK-COTTONWOOD CREEK: Those portions of Powell and Deer Lodge Counties lying east of Highway 10S, south of Highway 10N, and west of the Continental Divide.
Antelope—twenty-five (25), bucks only, from October 20 through November 24.

Moose—twenty-five (25), either sex, from October 20 through November 30.

119 GALLATIN: Those portions of Gallatin and Madison Counties lying within the West Gallatin River drainage and bounded on the north by Highway 10.

Moose—twenty-five (25), either sex, from October 20 through November 30.

120 HEBGEN: That portion of Gallatin County lying in the Madison River drainage.

Moose—ten (10), either sex, from October 20 through November 30.

121 BOULDER: Those portions of Park and Sweet Grass Counties lying within the Boulder River drainage.

Moose—ten (10), either sex, from October 20 through November 30.

122 YELLOWSTONE RIVER: Those portions of Park and Gallatin Counties lying within the Yellowstone River drainage above Livingston, excluding the Hellroaring-Cottonwood-Little Cottonwood-Buffalo Fork and Slough Creek areas, and that portion of Park County lying within the Poison, Chicken, and Mission Creek drainages below Livingston.

Moose—ten (10), either sex, from October 20 through November 30.

123 HELLROARING: That portion of Park County lying within the drainages of Hellroaring, Cottonwood and Little Cottonwood Creeks.

Moose—five (5), either sex, from September 15 through November 30.

124 BUFFALO FORK: That portion of Park County lying within the drainage of Buffalo Fork Creek.

Moose—five (5), either sex, from September 15 through November 30.

125 SLOUGH CREEK: That portion of Park County lying within the drainage of Slough Creek.

Moose—five (5), either sex, from September 15 through November 30.

126 COOKE CITY: That portion of Park County lying east of the Slough Creek drainage.

Moose—five (5), either sex, from September 15 through November 30.

127 BEARTOOTH PLATEAU: That portion of Carbon County lying within the Gallatin National Forest boundary (south of Granite Peak).

Moose—five (5), either sex, from September 15 through November 30.

128 WHITETAIL: Those portions of Jefferson and Silver Bow Counties lying west of the Boulder-Whitehall road, north of Highway 10, and south of Highway 91 between Butte and Boulder.

Moose—five (5), either sex, from October 20 through November 30.

129 UPPER RED ROCK: That portion of Beaverhead County in the Red Rock River drainage above Odell and Tepee Creeks.

Moose—twenty-five (25), either sex, from October 20 through November 30.

130 STILLWATER: Those portions of Stillwater and Sweet Grass Counties lying within the Stillwater River drainage above Absarokee and including the Fishtail Creek-West Rosebud Creek drainages.

Moose—five (5), either sex, from September 15 through November 30.

131 ROCK CREEK: That portion of Carbon County bounded on the west by and including the East Rosebud River drainage, on the north by the Roscoe-Luther-Red Lodge road, on the east by and including the Rock Creek drainage and on the south by the Wyoming State line and the Gallatin Forest boundary.

Moose—two (2), either sex, from September 15 through November 30.

SHEEP AREAS SHOWN ON MAP ON OTHER SIDE

1957 SPECIAL SHEEP SEASON

A person is not eligible to receive a sheep permit for the next succeeding ten years in any limited area if he has had a sheep permit anywhere in the State of Montana beginning with the 1953 season.

Any person may apply for a sheep permit in any unlimited area. Permits are available only from the Helena office of the Fish and Game Department.

AREA No.	Location	No.	Date
10	Kootenai-Stillwater	10	Sept. 15-Nov. 30
201	Gallatin-Beartooth	Unlimited	Oct. 13-Oct. 20
403	Sun River	40	Oct. 20-Nov. 30

SPECIAL BIGHORN SHEEP SEASON FOR 1957

10 KOOTENAI-STILLWATER: Those portions of Lincoln and Flathead Counties bounded on the south by the Lincoln-Sanders County line and Highway 2 and bounded on the east by a line beginning where Highway 2 crosses the Flathead River east of Kalispell, thence up said river to Highway 40, thence northwesterly along Highway 40 and Highway 93 to the International Boundary.

Bighorn Sheep—ten (10), rams with at least a three-quarter curl horn, from September 15 through November 30.

201 GALLATIN-BEARTOOTH: Those portions of Gallatin, Madison, Park, Sweet Grass, Stillwater and Carbon Counties bounded on the west by Highway 1 and the Reynolds Pass road, on the north by Highway 10 and on the east by the Cooke City Highway.

Bighorn Sheep—no limit (drawing not required for permits), rams with at least a three-quarter curl horn, from October 13 through October 20.

NOTE: Persons applying for a sheep permit in this area are advised that this area embraces a high, rugged terrain and it is a difficult area to hunt. Due to these factors, success has been rather low.

403 SUN RIVER: Those portions of Lewis and Clark and Teton Counties lying within the Sun River-Teton Range and more specifically described as follows: Bounded on the south by Welcome Creek, on the west by the Sun River Game Preserve, on the north by the Route Creek-Middle Fork of the Teton trail and road, and on the east by the National Forest boundary.

Bighorn Sheep—forty (40), rams with at least a three-quarter curl horn, from October 20 through November 30.
